

Preliminary Technical datasheet.

Product: BodoSeal Tape 160 grey

Description:

Grey butyl based sealent tape for vacuummoulding proces.

Dimensions:

2,5 x 12mm 15 per roll

30 rolls / box

24 boxes / pallet

Temperature resistance

150-160 degr.

Product information:

Density: 1,65 +/- 0,1

Penetration ISO 2137 (20degr.C 100g needle) 78 +/-8

Material: insoluble

Storage lifetime: 4 months

Colour: grey

AXL/02.10.09
